We will once again be running a slick event giving you the competitor value for money. Subject to RACMSA approval of the 8 stage routes we will put on an event of approximately 45 miles on 100% sealed surface. This event qualifies for the **2012 ANWCC Stage Rally Championship, All rounders & Ladies Championships** as well as the **Fuchs Titan Race Oil ANCC Stage Rally Championship 2012, SD34 MSG Stage Rally, Individual & League Championships, Formula 1000, 1000S & Kick Energy Junior Formula 1000 Rally Challenge 2012** and therefore is very well supported. This event will also be the first round of the 2012 Anglesey Rally Challenge. The Anglesey Rally Challenge will consist of 3 rounds, which will be the 3 stage rallies held at the Anglesey Circuit. For further information please look at the ANWCC website. www.anwcc.org

In order to allow a crew to have as much sport as possible for their money, any crew having retired from the event by virtue of having exceeded the maximum permitted lateness, (BUT NOT HAVING BEEN EXCLUDED), will be able to rejoin the event subject to the rules specified under the heading TROPHY RALLY.

You are advised to get your entry in early as the event has been very popular in the past.

May we thank all the people who have given their help and advice so far and all our advertisers for their contributions and particularly the championship sponsors/supporters. We look forward to seeing you all in March and would welcome anyone who is unable to compete to contact the Chief Marshal and volunteer your services on the day.

Kick Energy Junior Formula 1000 Rally Challenge 2012

This year the Lee Holland has again been selected to run a round of the **Kick Energy Junior Formula 1000 Rally Challenge 2012** as defined by the championship rules. As part of the MSA requirements/regulations for this championship, competitors in the championship must run on the stages by themselves, i.e. there must not be any cars from the main part of the Lee Holland event on the stage at the same time as the Junior's.

To achieve this there has to be a gap between the two events which therefore stretches to the limit the running of all 8 stages within the allowed time that the circuit can operate. In order to achieve this, cars in the Junior event will be interposed from the first running of the stage straight back into the second running of the stage and road timing between stages will be operating. Just as road timing will be operating in the main event.

As soon as all cars from the main event have completed the pair of stages, or maximum lateness of the last car in the main event has been reached, the Junior Rally will be started.

At that point no cars from the main event will be allowed to move on the stage until the juniors have finished their two runs through. If you have stopped on stage for any reason and the juniors have started **YOU MUST NOT**

MOVE TILL THEY HAVE FINISHED THEIR TWO RUNS THROUGH THE STAGE. (Junior runners will be denoted by running numbers 101 upwards.)

PENALTY FOR DISOBEYING THIS INSTRUCTION WILL BE EXCLUSION FROM THE EVENT, REPORTING TO THE STEWARDS OF THE MEETING AND THE MSA. If you are excluded in these circumstances you will not be allowed to rejoin in the Trophy Rally even if you would normally have been eligible.

After the Juniors have finished you will be given permission to return to the paddock.

PUNCTURE'S AND / OR DAMAGED VEHICLE PROCEDURE

"As part of the conditions of hiring the venue you are not allowed to run on the circuit with a punctured tyre. If any competitor gets a puncture they must **pull over to a safe location off the stage** as soon as practical and replace the wheel. Should you not carry a spare wheel then you must pull over **to a safe location as soon as safely practical** and the crew must vacate the car and move to a safe position behind the circuit barriers and remain there until the vehicle is safely recovered. OK boards and triangle must be displayed."

Only wheels carried in the vehicle at stage start will be allowed to be used to change a puncture. **NO SERVICE CREW MEMBERS MAY ENTER ANY PART OF THE CIRCUIT.** Should anyone do this or receive outside assistance the competing car will be immediately **EXCLUDED.** Trophy rally rules will apply to anyone **RETIRING** in the first half of the stages but **NOT TO THOSE EXCLUDED.**

It is also a condition of hire that no vehicle be allowed to continue on the circuit should any part of the bodywork or any of the vehicle's components be dragging/touching on the surface of the circuit. You may pull **gently/slowly** onto the grass at the side of the track in order to facilitate the safe removal of a damaged bodywork part or component, if this is practicable, and then **gently/slowly** off the grass to regain the circuit once this is done.

Failure to replace the wheel or remove any dragging part or component of the vehicle along the surface of the circuit will result in a penalty of EXCLUSION.

All marshals will be deemed judges of fact and will report infringements to the Clerk of the Course as soon as possible.

These are requirement's of the Anglesey Circuit, to prevent damage to the surface of the circuit. As part of your contract with us, by signing to abide with these regulations, and whilst competing on this event you will be liable personally, for any cost of repair to the surface caused by your vehicle or its parts.

FURTHER. Any fluid spillage on the circuit or in the paddock must be reported to the organisers so that suitable arrangements can be made with the circuit staff to clear it up. All waste oil must be placed in the waste oil tank (under the scrutineering bay?). NO oil containers to be left at the venue when you leave.

YOU MUST TAKE ALL YOUR USED TYRES HOME WITH YOU FROM THE CIRCUIT/ PADDOCK AREA WHEN YOU LEAVE. YOU MUST NOT PUT THEM IN ANY OF THE SKIPS

Any competitor, or their crew, contravening these requirements will be **EXCLUDED** from the results and reported to the MSA.

TROPHY RALLY (applicable to both events)

Pendle District M C & Garstang & Preston Motor Club will promote (time permitting) a Trophy Rally. To qualify, any competitor who has retired or gone OTL (**NOT EXCLUDED**) from the event, will be permitted to re-start as part of the Trophy Rally, (following satisfactory technical re-scrutineering). The Trophy Rally will commence from Stage 5.

Competitors in the Trophy Rally will be interposed within their respective remaining event competitors, in their original seeded order. Competitors in the Trophy Rally must be the same driver, co-driver and car as originally entered in the main event. The Trophy Rally runs to the same regulations as the main event.

The organisers reserve the right to not start or halt the Trophy Rally at any time. The organisers also reserve the right to exclude any competitor in the Trophy Rally found to be baulking, or impeding competitors still competing in the main event. Competitors in the Trophy Rally will not be deemed to have finished the main event and will therefore have their results compiled in a separate results table.

Trophy Rally - Juniors. The above will also apply to the Kick Energy Junior Formula 1000 Rally Challenge 2012 competitors.

19 General Information

Radio crews and sector marshals will be judges of fact for driving standards Sections **R24.7 & .8** and correct route.

R25.6. Start officials will be judges of fact for **R24.7.3 & (.10)**. All Senior Officials and named officials of the event will be judges of fact for all items listed under **Sections R24, R25.6 & 25.6.1&.2**.

Should any crew have an insurance claim they will be responsible for reimbursement of any costs or excess that the organising clubs may have to pay on their behalf. Failure to do so would result in reporting that crew to the MSA.

Intending competitors who are not members of invited clubs can obtain membership of the Organising clubs, valid until 31st December 2012, for a fee of £10.00.
