Article 20. General Information Cont.

- 20.9 Final Instructions having the same authority as these ASR's will be sent to competitors a few days before the event. Any notice signed by a Clerk of Course displayed during the event will have the same authority as these ASR's. A maximum speed of 10 mph will apply at all times, except when competing on a stage, within the confines of the venue and on all private roads leading to the venue. Refreshments will be available. No bonfires may be lit at the venue, please take all litter home with you or put it in a bin. Please note the event will incorporate "Road Timing" using normal Target Timing system.
- 20.10 NOTE: - Acknowledgement of entry receipt, entry acceptance, final instructions and results will be sent by e-mail and therefore it is vital you give a clear e-mail address.

Article 21 Garages

- 21.1 The organisers are negotiating with the circuit for the use of the 11 pit garages for competitors. Each garage has room for 2 competing cars and we expect the cost to be £160 per garage so if 2 cars share it will be £80 per competing car. Payment for garage spaces must accompany entry. Spaces will be allocated on 1st come 1st served basis. Should demand exceed availability the organisers will operate a reserve list with spaces being allocated in receipt order if any garages become available through withdrawn entries. The organisers will issue refunds to unsuccessful garage applicants.

Article 23. Anglesey Rally Track Day Friday 3rd March 2023

23.1 The circuit management intend to run a Rally Track Day at the Circuit on Friday 1st March 2024. This will be a popular event and anyone wishing to enter this is advised to contact the circuit direct to secure a place as soon as possible. The entry fee will be £140.

Article 24. Spectators

24.1 The circuit is currently admitting spectators. For those competitors who have more followers than the allocation of passes it is possible to purchase spectator tickets at a cost of £10.00. (See Article 11.9)

Article 25. Marshals

25.1 Marshals are a vital requirement for the success of motorsport events and the Lee Holland Stages Rally is no different. Following on from Covid-19 and the increase in the general cost of living currently being experienced countrywide the potential to impact on the number of volunteer marshals able to assist on rallies is a real threat. To hopefully mitigate this shortage as well as the usual benefits, a monetary contribution towards their expenses incurred attending the event will be made. The organisers have set aside a fund for this. If any entrants feel they can contribute towards this fund please indicate on the entry form. This is purely a voluntary donation to hopefully boost the help we are aiming to give our valued volunteers, by appreciative competitors who feel they can help.
