Article 25. Marshals

- 25.1 Marshals are a vital requirement for the success of motorsport events and the Lee Holland Stages Rally is no different. Following on from Covid-19 and the increase in the general cost of living currently being experienced countrywide the potential to impact on the number of volunteer marshals able to assist on rallies is a real threat. To hopefully mitigate this shortage as well as the usual benefits, a monetary contribution towards their expenses incurred attending the event will be made. The organisers have set aside a fund for this. If any entrants feel they can contribute towards this fund please indicate on the entry form. This is purely a voluntary donation to hopefully boost the help we are aiming to give our valued volunteers, by appreciative competitors who feel they can help.
