Article 25 Marshals

25.1 Marshals are a vital requirement for the success of motorsport events, and the Lee Holland Stages Rally is no different. Following on from Covid-19 and the increase in the general cost of living currently being experienced countrywide the potential to impact on the number of volunteer marshals able to assist on rallies is a real threat. To hopefully mitigate this shortage as well as the usual benefits, a monetary contribution towards their expenses incurred attending the event will be made. The organisers have set aside a fund for this. If any entrants feel they can contribute towards this fund, please indicate on the entry form. This is purely a voluntary donation to hopefully boost the help we are aiming to give our valued volunteers, by appreciative competitors who feel they can help.

Article 26 Safeguarding

26.1 Garstang & Preston and Pendle District Motor Clubs have adopted and fully support the Safeguarding Policy of the Motorsport UK Ltd. Should anyone have any issues or require talking to someone their first point of contact should be Mrs Marie Rushton (07891582069)

Garstang and Preston & Pendle District Motor Clubs Lee Holland Memorial Trophy Stages Rally 2026

The ANWCC is one of the largest Motorsport UK Regional Associations covering the UK and we are here to assist you with your enjoyment of motorsport. Although based in the North-West we have a wide area of operation with over 130 member clubs, covering the northern half of England, virtually the whole of Wales, a little bit of Scotland and also the Isle of Man. We run a wide range of popular championships for the members of our club to contest. No matter whether you run a world rally car or your shopping car, and every competitor has an equal chance of success and awards.

The concept is for up to 1 litre cars with very tight regulations. Cars have good safety equipment, and they handle and stop well but don't have the expensive internally modified engines and transmissions of other classes.

The Junior 1000 Rally Championships are the only Championships in the UK which allows drivers aged between 14 and 17 to compete on Rallies across the UK.

The Senior 1000 Rally Championship makes a welcome return in 2026 which allows Juniors moving up from the Junior Championship to still compete with their Junior cars with limited improvements against Seniors in equal machinery and to continue their development with limited budgets

The SD34 Group was founded in 1964 to help promote cooperation between the motorsport clubs of the northwest and took its name from the fact that the founding clubs (Longton, Clitheroe, Calder Vale & Mullard 2300) were all based in the area of the SD34 group of Ordnance Survey maps. The four members became six, then ten. There are now 35 member clubs.

We're pleased to welcome new and returning crews, their supporters, family and friends to the Championship, to run between 1st November 2025 and 12th April 2026.

The 2025/26 Protyre Circuit Rally Championship (CRC) continues to be organised collectively by the circuit rally event organising clubs, with Dukeries Motor Club Ltd holding the Motorsport UK Championship Permit on behalf of the group.

The 2025/26 CRC will feature a choice of 9 popular one-day circuit-based stage rallies at 7 different spectator-friendly venues, with a competitor's best 7 scores to count.
